<b>Report</b>	
<b>Name of Activity</b>	Bhartiya Bhasha Diwas
<b>Date</b>	11 <sup>th</sup> November, 2023
<b>Time</b>	10:30 am onwards
<b>Venue</b>	Block B, MIMT
<b>Organized by</b>	EBSB Club, MIMT
<b>Convenor</b>	Dr. Jaspreet Kaur & Dr. Aanchal Tyagi, Faculty, MIMT
<b>Beneficiaries</b>	60 MBA Students
<b>Objective</b>	The Objectives were to acquaint the students and the youth about the inherent oneness of all Bhartiya Bhashas, i.e., the concept of 'Bhartiya Bhasha Parivar', to celebrate the rich variety and wonders of Bhartiya Bhashas.
<b>Content</b>	<p>Bharatiya languages have co-existed, complemented, and nurtured each other throughout the ages. Languages shape the mind and wisdom of the society. Languages bring the people together. There is a need to strengthen 'language harmony,' to develop a conducive environment for learning more and more Indian languages apart from mastering one's own mother tongue, and an attitude and aptitude to love and enjoy the 'neighbouring language.' Learning/speaking another Indian language should be made a fashion/matter of prestige, a matter of joy and cherishing experience. Their diversities are also linguistically as rich as their inter-influences. Celebrating 'Bharatiya Bhasha Utsav' gave a sense of unity and introduce us to the beautiful cultural heritage and diversity of India.</p> <p>To align with this thought, EBSB Club organized a day-long celebrations for MBA students on account of Bhartiya Bhasha Diwas. It is an opportunity for students to a sense of unity and introduce them to the beautiful cultural heritage and diversity of India through different languages spoken in various parts of India.</p> <p>On this occasion, various activities were organized by the EBSB Club namely, regional dance, creative writing, poster making on Bhartiya Bhasha, and Rangoli making depicting beauty of different languages and different cultures.</p>
<b>Outcome of Activity</b>	These celebrations gave a strong message on Indian oneness. Through these celebrations, students came to know the glory of different Indian languages.
