Report	
Name of Activity	Brainstorming Session: AIDS Awareness Among Youth
Date	1st December, 2023
Time	12:30 P.M. onwards
Venue	MIMT, Campus
Organized by	Fitness Club
Convener	Dr Ashutosh Gaur
Beneficiaries	14 MBA students
Objective	<p>To raise awareness about HIV/AIDS, promote education, and fight stigma.</p> <p>To unite people worldwide in the fight against HIV, show support for those living with the virus, and commemorate those who have lost their lives.</p>
Activities	MBA students marked World AIDS Day by engaging in discussions on youth and HIV protection. They delved into the impact of COVID-19 on HIV/AIDS, highlighting challenges and potential solutions. The dialogue addressed the persistent issue of stigma and discrimination faced by individuals living with HIV/AIDS. The students also explored global progress in HIV/AIDS prevention and treatment, fostering awareness and advocacy for a comprehensive approach to combating this global health challenge.
Outcome of Activity	The MBA students' World AIDS Day discussion yielded an insightful outcome. They increased awareness on youth and HIV protection, analyzed the impact of COVID-19 on HIV/AIDS, addressed stigma, and examined global progress in prevention and treatment. The activity fostered a deeper understanding and commitment to combating HIV/AIDS challenges on multiple fronts.
