Report

Name of Activity	**IBM Skills Build Certification Test**
Date	20-09-2023
Venue	Room no. 203, B, Block + Online mode, Mangalmay Institute of Management and Technology
Organized by	Department of Management, Mangalmay Institute of Management & Technology
No. of Participants	156
Activity Convener	Dr. Lalit , MIMT
Objectives	- Assess MBA students' integration of AI and data science into business contexts for strategic decision-making. - Measure quantitative and analytical skills in handling data-driven insights relevant to business analytics. - Evaluate the ability to make informed decisions in complex business environments using AI and data-driven insights. - Assess communication skills in effectively conveying data-driven insights to diverse stakeholders. - Ensure awareness and understanding of ethical considerations in applying AI and data science in business settings.
Content	Managalmay Institute of Management and Technology (MIMT) achieved a milestone on September 20, 2023, by hosting the IBM Skills Build Certification online test in Data Science 101. Dr. Lalit, the Activity Incharge, ensured the seamless execution of the event, where 156 students actively participated from 2:30 PM to 4:30 PM. The session, conducted via Zoom with trainer SubhaSriram, covered fundamental concepts in AI and Data Science, culminating in participants receiving IBM Skills Build Certification, a valuable recognition of their proficiency in these cutting-edge fields.

This successful initiative underscores MIMT's commitment to providing quality education in emerging technologies. Dr. Lalit's leadership and SubhaSriram's expertise contributed to the event's success, reinforcing MIMT's role in shaping a technologically adept student community. The IBM Skills Build Certification in Data |

	Science 101 not only equips students with industry-relevant skills but also positions them competitively in the dynamic landscape of AI and Data Science.
Outcome of Activity	• Enhanced Skills: 156 MIMT students demonstrated proficiency in AI and data science, reflecting an upgraded skill set. • Certification Impact: Successful completion of the test earned students the valuable IBM Skills Build Certification, enhancing their academic and professional profiles. • Workforce Readiness: The initiative ensures MIMT graduates are well-prepared for the digital era, equipped with the latest knowledge in AI and data science. • Guided Leadership: Dr. Lalit's leadership contributed to the successful test execution, highlighting MIMT's commitment to a conducive learning environment. • Future-Ready Professionals: The certification positions students as future-ready professionals capable of applying advanced technologies in real-world business scenarios.
