Policy On Research & Development Committee		Page 1 of 12

Policy on Research & Development Committee

MANGALMAY INSTITUTE OF MANAGEMENT & TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to AKTU, Lucknow)

Knowledge Park-II, Greater Noida (U.P.)

Issued By: RDC	Issue No.02	Date of Issue:19.07.2024	Approved By: IQAC
----------------	-------------	--------------------------	-------------------

MIMT	QUALITY SYSTEM PROCEDURES	REVISION NO. 01 DATE :01.07.2024
Policy On Research & Development Committee		Page 2 of 12

Vision

- To put in place a robust mechanism for developing and strengthening the research ecosystem within the Institute.

Mission

1. To create a conducive environment for enhanced research productivity.
2. To encourage collaboration across industry, government, community- based organizations, and agencies at the local, national, and international levels.
3. To facilitate greater access to research through mobilization of resources and funding.

Objectives

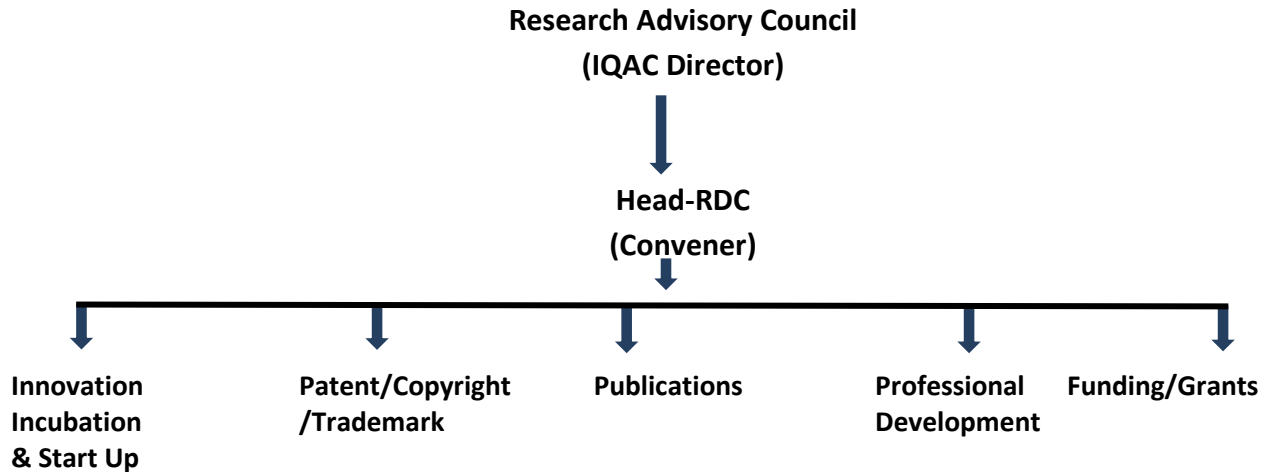

1. To create an organizational structure with role-based functions of RDC, formulate Research Policy for the Institute, identify thrust areas of research, and form related groups of researchers.
2. To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
3. To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.
4. To have better coordination among other cells/centers dealing with Institute-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).
5. To develop an Institutional Research Information System for sharing the status of ongoing/ completed research projects/Programmes expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
6. To serve as nodal center for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities.

----------------	-------------	--------------------------	-------------------

MIMT	QUALITY SYSTEM PROCEDURES	REVISION NO. 01 DATE :01.07.2024
Policy On Research & Development Committee		Page 3 of 12

Functions

1. Governance

2. Administration

Research Advisory Council will facilitate planning, implementation, and monitoring of research activities in the Institute, formulate rules, regulations, and policy frameworks for utilization of facilities and resources.

3. Research Ecosystem/Collaboration

RDC through RAC will act as a facilitator for networking and collaborative research with other national and international institutions working in inter- disciplinary, trans-disciplinary, and multidisciplinary research areas. RDC can reach out to key industry players, research organizations, institutions, associations, NGOs, government bodies to forge strategic partnerships.

4. Information Management System

RAC will put in place a Research Information Management System (RIMS) to collect and manage research-oriented information, databases, publications, research projects, fellowships, collaborations, patents, thrust areas, innovations etc. RIMS would also provide a platform for accessing resource-centric information pertaining to human capital (Expertise), physical capital and knowledge capital (Digital Library & Information, Intellectual Property Facilitation, Quantitative Methods & Data Analysis, Analytical and Consultancy Services).

----------------	-------------	--------------------------	-------------------

MIMT	QUALITY SYSTEM PROCEDURES	REVISION NO. 01 DATE :01.07.2024
Policy On Research & Development Committee		Page 4 of 12

5. Human Resources

The Head (RDC), the Conveners and members of various committees and supporting administrative/technical staff would ensure smooth conduct of the research activities in the Institute.

6. Research Promotion & Guidance

Research Guidance from RDC will aim to encourage faculties to conceive ideas through enhanced industry-academia interactions and prepare research proposals for funding from various agencies. Organizing events like capacity- building programs (Research 8 Methodology and Research Techniques) and specific research theme-based workshops and Research Internships will motivate the end-users (students, scholars, and faculties) to participate actively in the process of ideation and innovative research in emerging areas.

a. Research Thrust Areas

Thrust Areas but not limited to:

1. Artificial Intelligence
2. Internet of Things(IoT)
3. Block chain
4. Machine Learning
5. Robotics
6. Quantum Computing
7. Data Sciences
8. Cyber Security
9. 3D Printing andDesign
10. Augmented Reality (AR)/ Virtual Reality (VR)
11. Drones

Engineering

1. Systems Engineering
2. Sustainability Engineering
3. Computer Science; Biology
4. Energy Engineering
5. Green Technology
6. Electrical; Computer Engineering
7. Strategic Civil Infrastructure
8. Coastal; Offshore Engineering
9. Smart Cities

b. Research Incentives and Recognition

Incentives play a significant role in triggering and catalyzing research interest among scholars and faculties. Incentivizing quality publications and patents by faculty will have an enduring positive impact. Please refer below for Research Incentives:

7. Frequency of meeting

RAC will convene meeting biannually and/or as and when required.

8. Release of Incentives

All the faculty members shall submit their research credentials along with the requisite supporting documents to RAC through Head RDC on real time. RAC will convene its meeting every quarter to clear all the dues pertaining to research incentives of the faculty. Further, incentives shall be given to Faculty only on forwarding their candidature to RAC through individual prescribed form along with all supporting documents.

9. Integrity and Ethics

RDC will ensure that researchers understand the importance of integrity and ethics and comply with ethical codes of research and publishing practices at institutional, national, and global levels. A standard plagiarism check should be mandatorily implemented and the requisite software in this regard made accessible to all researchers. In addition, the
